About the French Chamber of Great Britain

The French Chamber of Great Britain is the largest foreign Chamber in the UK in terms of both turnover and range of services offered. Our main aims are to provide a platform of exchange and networking at the service of Franco-British firms in the UK, to promote our 600 members' interests to key decision makers and to help develop economic and commercial relations between France and the UK. Our Business Consultancy and Business set-up departments provide both British and French companies with a large range of bespoke professional services.
